## Proclamation

**WHEREAS**, the **TOWN OF MOORCROFT** is committed to supporting the success and strength of our local and state economy, and encourages the efforts of our local business owners, and

**WHEREAS**, local businesses are the backbone of our economy and are integral to the growth and longevity of our community, and

**WHEREAS**, the strength of local business is dependent on the support of the community, and

**WHEREAS**, buying from locally owned businesses not only supports the employees of that business, the money spent locally is used to hire other support businesses such as suppliers, auto & equipment dealers and contractors, and

**WHEREAS**, All these factors together create what's called a "multiplier effect", meaning that each dollar spent in a local store brings as much as \$3.50 into the local economy, and

**WHEREAS**, supporting local business supports critical infrastructure within our communities through the generation of sales tax revenue, making our Wyoming communities a great place to live, work and play.

Now, Therefore, Be it Resolved, that I, **CLELL CLAAR, MAYOR OF TOWN OF MOORCROFT** do hereby declare June 2020 to be

**307 FIRST MONTH**

**AND ENCOURAGE EVERYONE TO LIVE, LOVE, BUY WYOMING**

In witness whereof I have hereunto set my hand and caused the seal of **TOWN OF MOORCROFT** to be affixed

(Mayor/Commissioner)
