Present: Mayor Dick Claar, Councilmen Ben Glenn, Paul Smoot and Dale Petersen, Clerk/Treasurer Cheryl Schneider, HDR Engineers Heath Turbiville and Jeron Smith

Heath and Jeron updated the Council on the sludge progression. It appears that it may be overbudgeted in funding and there could approximately be \$500,000 that would be returned to USDA. Clerk Schneider forwarded the bid tabulation that Jeron provided. Heath stated the project is at approximately 15-20% in completion based on dollar amounts used at this time.
